What did I do yesterday?
Modelling exercises

What will I do today?
Try to catch-up and do the tests

Notes and thoughts:
- I'll be in the school today, so I'm easily in contact.

What did I do yesterday?
Continued frontend/backend integration. Got the inventory creation/addition and product crud working.

What will I do today?
Continue with the frontend/backend integration

Any problems?

Obstacles and Challenges

Making sure that the Vaadin Framework would blend into the current tech stack so that it would seamlessly run with Docker & Jenkins which were the requirements of this project.

What went well?

- Teamwork ✔
- Staying on schedule ✔
