SCRUM Process

Team Check-In

Saed

Sprint went well in overall. There were enough for work for everyone

Pavel

The sprint was productive, with strong teamwork and smooth communication.

Ivan

Sprint went smoothly and the team ensured that everyone stayed informed and productive.

Viet

Everything went smoothly and I had a great experience in working as a Team.

Team Check-In

Ground rules for the team

Commitment

Each member is proactive

Openness

Each member communicates

Each member reports about problems/obstacles

Courage

Each member stays up to date

Focus

Sprint burndown

Daily SCRUM

Held MON-FRI in Discord.
WE/THU in Campus.
Weekends if necessary

Daily SCRUM

SCRUM

Process

Everything was tracked.
Trello for tasks, Google
Sheets for working hours

Preparation

We prepared well. Identified
the risks. Anticipated some
delays. Accounted for them.
Set ground rules

Sprint

Project vision -> plan ->
techstack -> product
backlog -> task allocation

Sprint burndown

Backlog at the beginning of the sprint

Each members contribution and working hours

Conclusion

Team

Teamwork is great. No problems in this front

Project

On time. No delays. Expect to complete everything. Extra time might be used for new features

Sprint 2

We are well positioned for the next sprint
